PRESIDENT'S REPORT

Welcome back to VAPS as we gear up for another great year ahead.

I trust that you had an enjoyable break over the last few weeks and that many happy memories were captured.

The year ahead is looking busy already but exciting. Work is well in hand for the Convention and Interclub in May, further details will be available along with the programme in the next few weeks.

Regarding the **Australian Interstate Photographic Competition** that is run in conjunction with **APSCON** each year there have been some changes to the entry categories.

As you are aware the selection for AIPC is taken from the VAPS Interclub competition and forwarded to the host State each year.

This year the digital entries have been split into **10 Colour** and **10 Monochrome** digital entries, so when you are compiling your clubs VAPS Interclub entries please give consideration to including some Monochrome digital.

The David Harradine courses will continue this year at the VAPS discounted rate for members. Please see the advertisement in this edition for the current course dates and descriptions then we will update this each month along with appropriate contact details to secure bookings.

VAPS Website

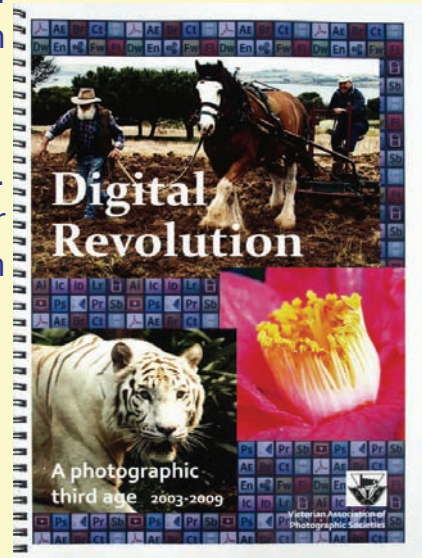

Please make sure when you are looking for the VAPS website that you type in www.vaps.com.au and not the old site which was vaps.org.au. There still seems to be some confusion where people have had the old site bookmarked and have not switched over.

Publication deadline for copy in Newsbrief is the 25th of the previous month, each and every issue.

Digital Revolution

By now all clubs should have received a copy of Digital Revolution which is the continued history, officially from 2003 to 2009 , of many of our VAPS Clubs

Extra copies of this book can be purchased for \$10. Please contact Peter Kewley , pwk@optusnet.com.au or Alan Wilson, alwilson22@hotmail.com and they can arrange a copy for you.
